

# NetGalley for ALA Members

Members of the American Library Association can utilize NetGalley **for free** to access digital review copies and audiobooks, nominate books for the LibraryReads List, and discover new authors and publishers.

PLUS! Verified ALA members on NetGalley are generally approved more quickly to access upcoming books!

## NETGALLEY MEMBERS

- Browse “Find Titles”

Discover books & audiobooks that are available to Request and Read Now.

- Be Invited to Download Books

Let publishers know that you are happy to receive invites to download DRCs or audiobooks. A “widget” invite (special link) will give you instant access to the book, so you can download to your device quickly.

- Submit Feedback to Publishers

Use NetGalley to alert publishers if you plan on purchasing for your library, and to submit your feedback & review of the book.

\*When submitting Feedback, you can also **nominate for the LibraryReads List!**

**Plus!**  
Access free Book Club Kits  
to use in your library!

# NetGalley for ALA Members

## Getting Started

1. **Create your free NetGalley account as a Librarian**, activate your account via the activation email, and then Sign In to start browsing books and audiobooks.
2. **Fill out your Profile**, and include all essential information about your library and how you utilize digital review copies and audiobooks.
3. **Add your ALA member number to your NetGalley Profile.** **ALA**  
Publishers will see a special ALA icon when you request their books, so they know you are a verified ALA member.
4. **Subscribe to NetGalley newsletters to begin receiving the monthly Librarian Newsletter.**  
In your Profile, go to the Account Security tab, then Subscriptions.
5. Set up your favorite device or app to receive files from NetGalley. Use our Device Guide to learn how. **We recommend the free NetGalley Shelf app and NetGalley Reader. \*The NetGalley Shelf app is the exclusive way to listen to audiobooks from NetGalley!**

**Tip:** Encourage fellow library workers to sign up for free NetGalley accounts and add their ALA number to their Profile, so they can also take advantage of these benefits!

**\*Keep in mind that not all books on NetGalley are visible in Find Titles**

Many books are kept private (invite-only), so always ask your contact at the publisher if you can't find one of their books.
