

NetGalley for CIBA Members

Members of the Canadian Independent Booksellers Association can utilize NetGalley **for free** to access digital review copies and audiobooks, nominate for The Booksellers' List, and discover new authors and publishers.

CIBA BENEFITS

1. Verify your CIBA Membership

Verified CIBA members on NetGalley are generally approved more quickly to access upcoming books!

2. Nominate for The Booksellers' List

While submitting Feedback, you can also nominate the book for The Booksellers' List!

**The
Booksellers'
List**

NETGALLEY MEMBERS

• Browse "Find Titles"

Discover books & audiobooks that are available to Request and Read Now.

• Invited to Download Books

Let publishers know that you are happy to receive invites to download DRCs or audiobooks. A "widget" invite (special link) will give you instant access to the book, so you can download to your device quickly.

• Submit Feedback to Publishers

Use NetGalley to alert publishers if you plan on purchasing for your store, and to submit your feedback for the book.

Encourage staff members to sign up for free NetGalley accounts & add the store's CIBA number to their Profile!

NetGalley for CIBA Members

Getting Started

Scan to join!

1. **Create your free NetGalley account as a Bookseller**, activate your account via the activation email, and then Sign In to start browsing books and audiobooks.
2. **Fill out your Profile**, and include all essential information about your bookstore and how you utilize digital review copies and audiobooks.
3. **Add your CIBA member ID to your NetGalley Pro to your NetGalley Profile.**  Publishers will see a special CIBA icon when you request their books, so they know you are a verified CIBA member.
4. **Subscribe to NetGalley newsletters to begin receiving emails with books that may interest you.** In your Profile, go to the Account Security tab, then Subscriptions.
5. Set up your favorite device or app to receive files from NetGalley. Use our Device Guide to learn how. **We recommend the free NetGalley Shelf app for reading--it's also the exclusive way to listen to audiobooks from NetGalley!**

Tip:

Many books are kept private (invite-only), so reach out to your contact at the publisher if you can't find one of their books in Find Titles.

Plus! Access free Book Club Kits to use in your store!
